Stay at home mom of 18 month old girl available to watch children in my home. I can come to yours if you are on the West side and walking distance. (one car family) unless you can provide a vehicle. Available to drive on the weekend to other areas and do not have to have my toddler with me.

I can do date nights, over nights, last minute emergency, part time or full time. With being a mom and having watched children on and off for 14 years I'm very experienced and try to make them feel as comfortable as possible.

I would love to also have fun playdate for my little one so I am mostly looking for ages 10 months- 2.5 years during the week. On weekends all ages are fine. I will consider other ages during the week. I am also a great help with cooking, cleaning, water your plants, walk your pets, etc.

Thank you for considering me and hope to hear from you soon,
Ashley
