I have a 98 Chevy Tahoe 2 door for sale. I've owned it for little over a year and I love it, I'm just looking for something new. It runs great, it does throw a code for an O2 sensor but it doesn't effect how it drive, also the driver side door doesn't like to open from the inside but opens from the outside fine. It comes with the spare tire that is like brand new, 4 brand new Hankook tires put on 10/9/15 . Has brand new headlight bulbs. I have title on hand. I'm asking \$1800 obo if I take off the new tires, and \$2200 if I keep the tires on there. I will also be taking out the aftermarket deck that is in it. Please feel free to call or text, I would prefer text but will call you back if you leave a.
