Tysun is looking for his forever home. He is a sweet Golden Retriever mix. Tysun is neutered, fully vetted and is approx. 1 1/2 to 2 yrs old according to our vet. Tysun is an indoor dog who loves to sleep in bed, go for long walks & run in the pasture. He LOVES a dip in the creek when it's warm. He is very laid back & loving. Tysun's best buds are our 3 Maine Coon cats & our 10 lb chorkie. He loves to play tug of war and loves swinging his rope toys around. All in all he is a wonderful dog that would be a great addition to your life!

Tysun is my son's dog but my son now has a new job and is working 4pm to 4 am and mostly overtime after so he is gone up to 12 to 15 hrs x day 6 days x wk. My son lives with me so therefor Tysun's care is left to me and I am 70 yrs old with a heart condition and bad hip so Tysun at almost 70 lbs is a bit much for me. We all love him dearly but know he is missing the rides, runs etc my son & he enjoyed. Please look at Tysun's pictures and see if he is a dog you would be interested in. He is on heart worm & flea preventative and as mentioned has all his shots current, neutered & FULLY housebroken!

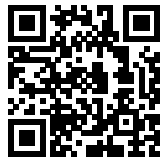

We are looking for a home where someone can give him lots of time, take him on rides in the car, love on him a lot. A fenced yard would be a plus because a dog his size needs exercise & room to run safely. When he walks on his leash he does very well. We require a home visit (within 2 hrs of Madison) and current vet ref. No exceptions. There is a small rehoming fee.

If you would like more info about Tysun please include a contact no in your e-mail & I will be happy to call you. I don't have cell service here in our valley so I am unable to text message.

Thank you so much for your interest in Tysun. I am happy to help you find him a home.
