Hi craigslist, we are back again. Please take the time to read the entire ad as I am very specific on the requirements we want in order to give you our dogs.

We found a very nice family for our girls. Unfortunately, they contacted me and said that even though they fell head over heels for our dogs their son didn't so we have decided to take them back and start the interview process all over again. With that being said please DO NOT contact me if:

- 1) You don't think you can handle my dogs. They have A LOT of energy!!!
- 2) You are interested in only one dog. THEY MUST STAY TOGETHER!!!
- 3) You can't afford my dogs.
- 4) You are not a home owner.
- 5) You are trying to use Roxy for breeding purposes as she is not spayed. You must agree to get her spayed within a reasonable amount of time.

My husband and I recently found out our daughter is severely allergic to dog hair. We have another one on the way and we are afraid he will be too. We have to put our kid's health first and that is the only reason we are rehoming our dogs. They do not have aggression issues and they are very good with kids and other animals. We will not give them away to just anyone so I will be asking a lot of questions. They are great, loving, fun, loyal family dogs and they deserve a family that will love them and care for them as their own children. We are in no hurry to give them away so we will take our time to find them the family they need.

Coco is a 3 year old 80lbs pitbull mix. We've had Coco a little over a year. She is very energetic, sweet, loving, well behaved, loves other dogs big and small. She likes to be the center of attention and likes her belly rubbed. She is very gentle with children and doesn't have any aggression issues. She has never been aggressive towards other dogs. She loves to go on long walks and knows how to sit, stay, lay down, hug, and kiss lol (we are still working on "shake") she is great off leash and responds on command. Coco loves to be chased, play tug a war, but her absolute favorite thing to do is fetch balls. She's so much fun!! Overall she's a great family dog.

[illegible]

everything we have including both kennels, leashes, food and water trays, toys, etc. Please do not respond if you live in apartments. We are located in Beaverton but we are willing to drive within a reasonable distance to meet you and see if your home is a good fit for them. If you are not cool with my husband and I visiting your home please don't contact me. It is very important to see where our girls are going. And last but not least, please please please PLEASE don't waste my time. If you are interested in my dogs and we arrange a time to meet please show up. I am 38 weeks pregnant and I can barely walk lol I seriously don't have time to waste so if I'm making an effort to meet with you please don't be a flake. I am not trying to sound rude I promise but we've had so many calls and emails and people either don't get back to us or they don't show up at all. Thank you for taking the time to read this ad and we look forward to meeting!
