Nadia has lived through parvo, coccidia, and a house fire. Yes, also a house fire. She's quite an amazing puppy, she is 10 weeks old. Loves attention, but is a bit shy due to what she's been through.. She loves to cuddle at night and to be where you are. She's a very mellow puppy. She's had her first round of shots, and been dewormed. She is potty trained to go outside, and kennel trained. She prefers wet food, but will eat dry food. She's been raised with other dogs, kids, and loves to travel lol. She'll come with a collar, leash, and toys. I'm not really sure what breed she is sorry. Rehoming fee applies. Feel free to ask questions if your interested in meeting.
