Its no secret that ever since the financial crisis, small businesses are still having a difficult time getting loans from banks and credit unions

- * Your chance of getting a small business loan from a bank is 1 in 10
- * Banks want to see your PERSONAL credit score over 700
- * Banks want collateral for loans over \$10,000
- * It will take several weeks to find out from a bank if you are APPROVED

Take a look at tmaca.com and then call us at Option 3 to speak with a business funding specialist to get your

money wired to you today! No startups please

Merchant Cash Advances are a viable funding option no matter the size of your business and does not involve waiting for a bank to approve a loan. As of now you don't have to accept credit cards to take advantage of Merchant Cash Advance funding.

Requirements:

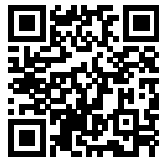

\$5,000 minimum gross credit card income OR \$10,000 gross bank deposits and \$3,500 average balance

in business checking account for the past 3 months

Some programs fund as soon as the same day, others are up to 7 days funding
 Don't wait around months for your bank - give us a call today and fill out the application
 Transactions America offers many different funding programs, a few of which may or may not be available in your state. Our consulting and underwriting team will work with you to quickly find the most optimal funding solution for your business.
