## MISSION STATEMENT

I'm a major label recording artist/songwriter /producer with several songs that have been on the charts. When I moved to New York 10 years ago wanting to be a singer, I felt lost. I didn't know what to do or where to start. Now I'm the one who can help, and I'm here for you. Just read the testimonials at the bottom: I work 1-on-1 with a select group of talented artists all over the US in many genres. I use my resources, network, and experience to help them. move forward in today's music industry.

"As National Projects Director of the Songwriters Hall of Fame I worked with 1000s of artists, including such as Lana Del Ray and Lady GaGa, both of whom I discovered Lynn is without any hesitation the best music industry consultant and artist development specialist that I have encountered in my 35 years in the music industry."
