Location Virginia https://www.genclassifieds.com/x-715845-z

Hello, We need a nighttime nanny for our 2 boys, ages; 13 months and 8 years. Columbia. And we're looking now! Animal lovers please apply (we have pets)! The start date will be dependent on when my husband starts work but will be between the 16th and the 25th of this month. I will be working Tusedays - Saterdays 4:00-midnight. The nanny must be available to work those hours however will not be needed every night. My husbands work days may very. That is why we thought paying bi-weekly the week would be easiest. The nanny must also be comfortable with dogs. We have a 12yr old terrier mix and a 3-year-old german shepherd. both are very well trained and very friendly however they can be put in the basement and/or crated while the nanny is at the home.

## Must have own transportation.

Please feel free to ask any questions. The date is closing in quick and we must find in-home childcare because of the hours. Thank you.
