

Lost gray cat (Mesa)

Location **Arizona**
<https://www.genclassifieds.com/x-715902-z>

If you see this cat please give us a call! His name is Whiskey, he should be wearing a green collar with a bell. He has a little heart shape on his nose. He has long, white and gray fur. It is probably the softest fur you will ever feel. Also, he is very friendly and sweet. Please call us if you find him, we love him very much!! Missing since last night (Nov. 12)
