Silver Labs BYB!
 Bred her back to back.
 Father isn't over 2.
 Parents are not health tested or OFA.
 They bred her before so how many litters has she truly had? Thy are only breeding for profit!
 Be aware you can purchase a HEALTHY Lab pup for under \$800 with OFA/Health clearanced, titled Parents. Have a health guarantee. AND you get a great bloodline dog. Not a backyard breeder dog from people like them who only breed for profit not to better the.
