Happy Heart Learning Academy is a Class A Licensed Childcare Center in Algiers, LA. We focus on hands-on experience and learning, and do many field trips to give the children a better understanding of each topic. We have a dedicated staff who are educated in the childcare field, and help come up with a progressive curriculum and a mission to inspire the hearts and minds of our future leaders. We have Full-time, Part-time, Drop-in, and Weekend care. We are looking for dedicated parents who would love to give their children a fun and exciting learning experience.

We are open 24 hours. We offer a loving and safe environment. If you feel your child can benefit from this we would love for you to be apart of our family. For more information please contact a member of the HHLA family.

Thanks,

Mrs. Russell
