Adult Care A brilliant man Bryant McGill once said, "One of the most sincere forms of respect is actually listening to what another has to say." I say "Let me listen" Kainoa Love presents Listening Ear services for those in the community needing an authentic compassionate person to basically listen. If you could use an attentive ear, interested in what you have to say, please "Let me listen." -Adult Care: Many adults are without the necessary social setting that allows a person to truly share their unique journey, including isolated obstacles one may be facing. Let's restore the necessary social setting that allows a person to truly and freely share what is on their mind. -Women Care: Women, as strong as they are, many times take on the burdens of others and, at the same time, are dealing with their own stresses. Many times all they need is a compassionate Listening Ear and a bit of positive, encouraging energy. -Men Care: Men undergoing a difficult time in processing current situations that allow emotions to transpire may just need a Listening Ear & a contributing mind that believes every person's obstacles are very unique, and all a person can really do is try their best to understand. "Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around." -Leo Buscaglia People often forget that kindness is free. In this case, my unique nature to care for others is certainly free. Time, many times, is of the essence as we must donate much of our time towards earning our keep. I understand greatly that some are in situations where they cannot contribute monetarily wise, and, at the same time, there are people who have the ability to. I consider everyone's situation as much as possible and I will certainly continue to volunteer time. My paying scale is negotiable and conforms to each individual, so please inquire within. A minimum of 2 hours is greatly suggested. Suggested: \$12.00 per hour Desired: \$15.00 per hour Tips & Referrals Accepted As Well. Please feel free to email questions and seek advice, and I will answer you.
