

## 2 male Guinea Pigs to good home (plus cage and other supplies) (Cambridge, MA)

Location **Massachusetts**  
<https://www.genclassifieds.com/x-716144-z>

Please consider providing a good home for our two guinea pigs. We are sad to have to lose them, but are moving in December and cannot take them with us. We will sell them both together for \$30, and are happy to give you their cage and the extra food we have for free to start you off with ownership. We would like to meet any potential adopters to ensure that the guinea pigs will be going to a safe and loving home.

Jackie and Wilson are two adult male guinea pigs looking for a home. They must stay together as they are bonded quite closely, and guinea pigs are very social animals. They get along great, love to run around and explore, and enjoy eating spinach and carrots.

Guinea pigs are active, gentle, relatively low maintenance pets that love companionship, delight in cuddles and make great pets for gentle children six years old and up. Guinea pigs are happiest when they have a clean cage and lots of interactive socialization time with their person. Keep in mind that guinea pigs need at least 8 square feet of space in their cage per animal, with extra "floor time" to run around. They do require fresh hay and greens (lettuce, parsley, basil, etc.) on a daily basis and adopters should consider this expense when adding a guinea pig to their.
