*****This is a natural full white beard it doesn't come off.*****

Hi, I am Santa Claus now till Dec. 25th. I have been Santa every year since 1995, I was the Santa at The Greene Mall the first three years they were open. The past five years I have been a fill-in Santa traveling coast to coast. I have played Santa in thirteen different states and been in two commercials.

This year I'm cutting back and only traveling out of the state for special events so if you need a Santa for any reason give me a call. Santa Ken

I will come to your Office Party, Day Care, Preschool, Home Party, Church Function, or come to your business for pictures with the kids or your pets or your employees.

I have a State of Ohio security check ID, I am insured and bonded. I can provide references. If you are thinking about having SANTA at your function this year don't hesitate call now its less than six weeks away. My book is getting.
