Location **Kentucky**
<https://www.genclassifieds.com/x-716175-z>

Experienced wedding officiant / ordained minister, licensed to perform marriage ceremonies in the state of Ohio, Kentucky, and Indiana. I can help you make your wedding day a magical occasion. Romantic, casual, short and sweet, or civil ceremonies, however you prefer. I am very familiar with all aspects of wedding planning, and it would be my honor to help you achieve your goal of marriage. I'm comfortable performing large weddings, small ceremonies, and anything in between.

Ceremony vows, readings, and passages can be personalized, or you are welcome to provide your own. Ceremony script can be traditional, modern, or unique to your preferences. Also willing to attend rehearsals, reception, meetings prior to the wedding, and also hopefully become your friend in the process. If you select me as your wedding officiant, you will have someone willing to go the extra mile to cover every detail and help ensure your ceremony is performed exactly how you want. You will remember your ceremony forever, so I strive to create a moment that is heartfelt, meaningful, and classy. Just ask any of my references, available upon request.

Fee for basic wedding ceremony as low as \$50. Travel, scripting vows, and other costs vary by ceremony. I'm flexible and willing to work around your budget. Call, text, or email to discuss further.

Congratulations and thank you for looking!
