Hello my name is Megan Nelson and I am starting up my own child care business. I have been doing daycare for about 5 years now, with my mother. So now it is my turn to get some full time positions filled in my own home. I am going to start interviewing in December. I currently am not licensed but I have taken all of the class that are required.

The class that I have taken are:

CPR

First Aid

Sudden Unexpected Infant Death (SUID)

Child Growth and Development/Behavior Guidance

Supervising for Safety

Abusive Head Trauma (AHT)

Please contact me to set up an interview or if you have any questions! I am located in Saint Paul Park right next to Cottage Grove. I do charge \$160.00 a week and it is a prepaid.
