I have a set of F150 Rims and 4 Goodyear Silent Armor tires for sale due to purchasing bigger tires and rims. These tires I bought new from discount tire and only have 10k miles on them and are in amazing shape still! 80% tread left! They have amazing traction on snow and ice. These tires have the durable kevlar sidewalls and are the best AT tire on the market in my opinion and I've never heard these tires make a sound! The rims they are mounted on are from my 2009 F150. They are the 6x135 lug pattern. The tires are the stock size tire for the F-150 (275/65/18). Call or text me whenever. (765) six six one - 3 six 3 eight \$600
