Your own Paradise on ~ 1.2 acres with 150 feet of water front on beautiful Ashley Lake. Approx 3700 sq ft custom home on 3 levels, 4 bedroom, 2 1/2 bath with office/library loft, game room, and an open floor plan that is perfect for entertaining. Priced below appraisal. Panoramic lake and mountain views from virtually every window, hardwood floors, curved staircase, custom built-ins, and tons of storage. The master suite is on the main floor and has a double vanity, jetted corner tub, separate shower, 2 walk-in closets, and its own private deck and hot tub. This unique, one of a kind home also has a custom rock hearth with woodstove, mudroom / laundry room with sink, spacious kitchen with over 60 sq ft of beautiful granite countertops, large pantry, and brand new stainless steel appliances, over 1200 sq feet of decks and patios, and an oversized (26' x 32') 2+ car garage with workshop and attic storage. This private, peaceful property is fully landscaped and includes a 25 ft - 5 tiered water fall and pond, tree house with bridge access, covered RV and boat storage (12' x 36'), rock fire pit, driveway log arch, flag pole, and floating boat dock. Ashley lake is famous for its turquoise water, fishing, amazing sunsets, loons, and.
