Baby bearded dragons for sale. I am lowering the cost so these beautiful babies can find their forever home. I have a few babies that are \$25 each and a few that are \$10 each. unfortunately the ones that I am asking only \$10 for are injured from them starting to bite at each other's movements. they are heathy just will be missing a foot. Email me if you are interested. These make great pets for any age and are pretty low.
