

Need Someone To Accompany Me On A Trip Far Away (NJ to)

So it's December, the holidays are just about here, and we're all looking forward to the magic of the season and time with family, right?

I love Christmas as much as the next person, but between now and then there's some time to get away. Honestly I wouldn't mind going someplace a good distance from here... Florida... maybe even California... someplace warm because I don't like the cold!

Now I'd rather someone come with me, so here's your chance to take a "compensated, all expenses paid vacation" on me. If we can agree on a destination and timing works out right, we can get out of here for maybe a week!

Long story but I NEED to get out this area for awhile. (No I'm not in trouble with the law or anything... think "henpecked husband" even though I'm not married!) So if you need a getaway too, let me know.
