I have 1 standard socket/retching socket set for sale. Never been used and both come in a hard carrying case. Also I have 1 Metric standard socket retching set that comes with his listing. I can sell together or if only interested in the one I can break then up as well. Neither one of the sets has ever been used and both come in a hard plastic carrying case. Nothing missing in either or set. If interested in this listing please e-mail me back. Only serious buyers please. Cash payment only OBO. Thank.
