Location **Oklahoma**

I am needing help moving from NW Norman to SW OKC.

I am looking for a couple of guys to help me move Tuesday, Dec 1.  
 You will need a truck and trailer and straps if it isnt enclosed.  
 I would suggest a dolly.

It is regular household furniture, 2 bedrooms, and some miscellaneous boxes.

The loading will be ready to go in the garage and won't take long at all, the unloading will include taking large items to the correct room (upstairs as well).

I will have some help here, as much as I can, but plan on bringing at least one helper to make sure bases are covered.

Please email with ballpark quote, including.
