Looking to invest? We have guaranteed results. We have a proven tract record and are breeders of exceptional Akc Labradors. We offer 25% ownership for \$5750 with a guaranteed yield of at least \$35000 in 70 days. One of our females is currently breeding and her litters go for \$120,000 to \$180,000. Our puppies are trained as service dogs across the country. National and International Championship lines for hunting. She will have 4-6 litters before retiring and you will get the opportunity to invest with each litter. Please contact me for documentation. Contract will be legal and binding. Offer only up for 24hrs. We get too many inquiries. Thank you and great investing. Not a joke, I have previous investors who will confirm legitimacy. We do this in honor of my Father who passed from cancer. Call or text
