BROKEN WINDOW - FOGGY GLASS - CRACKED MIRROR - SHOWER DOOR FAST GLASS REPAIR & WINDOW INSTALLATION SERVICES REFERRAL Russ is my go to guy for all the Glass Window and Mirror repairs or replacements on all my rental properties in Fort Worth. His prices are reasonable - and MUCH better than the big glass companies. His turn-around time is faster than anyone else. I've used Russ for years - I don't have to wonder if he will actually show up to do the work or not! One call to Russ and you can be sure your glass problem will be solved. - Bob -- DFW Metroplex COMMERCIAL -- RESIDENTIAL -- DECORATIVE -- FURNITURE GLASS -- CUSTOM GLASS & MIRROR Call or Text For Free Estimate - Same Day Service In Most Cases - Emergency Board-Up & After Hours Service Available REFERRAL Russ came to look at the broken stained glass in my front door and a cracked window. I didn't want to spend the money to replace the door glass. Russ was able to fix the window the same day and located and installed a replacement door in 2 days. I saved a lot of money. - Sheila -- Roane Oak REFERRAL I shot a rock through my window with my lawn mower on Saturday. We were leaving for vacation that afternoon, and I couldn't leave home with it broken. I called a couple of glass companies - they weren't open. Then I called Russ and He came out right away (I did pay a weekend fee - but it was only \$50!). He had the window repaired in about an hour! Thanks, Russ - Highly Recommended! - Stephen -- Ft Worth REFERRAL I called Russ about 8:00 Saturday morning after a break in at my medical office. A brick was thrown through my office door. Russ came out within the hour, secured the door, cleaned up the broken glass and had the new glass installed by Tuesday morning! Fast, friendly service for much less than the big glass companies! I hope this never happens again -- but if it does, I know who to call! - Roxi -- Ft Worth Affordable - Honest -- Quality Workmanship Payments
