HANDYMAN - HOME REPAIR SERVICES - REMODEL - RESTORATION REFERRAL I no longer live in Ft. Worth, but I have many rental properties there. I use Russ for almost all repairs on my rental properties. His prices are reasonable, his work is excellent and his turn-around time is fast. Plus, I don't have to wonder if he will actually show up or not! I also like that he receives payments via PayPal - it's so convenient and simple. One call to this guy and I know my repair problems are solved. - Bob -- DFW Metroplex Handyman - Home Repair - Repair Services - Remodel - Restoration - Electrical - Glass - Appliances - Fencing - Paint - Drywall Repair - Flooring - And More!

REFERRAL I recently hired Russ to install a door buzzer system at my doggie daycare, boarding, training and grooming facility and would recommend him to anyone!! He not only did an excellent job, but his prices were great! He is extremely professional, friendly and on time! He did such a good job, that I hired him again to install my TV's and sound bars in my condominium, and then again to assemble multiple pieces of furniture. He does such good work that I will hire him for every new projects I have at home or work. I would recommend him to everyone!! You will be glad you hired him too!. - Candace -- Fort Worth REFERRAL I called Russ after another "handyman" totally screwed up the front door replacement I hired him for. He actually cut the replacement door too short and somehow completely split the hinges! Russ showed me that the door jamb was beyond repair and had to be replaced. He recommended a pre-hung door -- got me exactly what I wanted from his supplier and had it installed the very next day. I now use Russ for all my home repairs and have recommended him to all my friends because he does good work and I know I can trust him!
