

## Carpenter needed in Gaston (Gaston)

Location

**South Carolina**

<https://www.genclassifieds.com/x-721068-z>

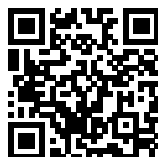

Looking for a licensed/insured carpenter to work on a mobile home in Gaston. Work is available asap. Trailer needs subfloor work as well as a few other odds and ends. I have a relative to do the drywall. Will consider weekend bids but prefer full time crew to speed things along. Need subfloor work, possible carpet/laminate laid, doors hung, etc. Must have own tools and transportation. Taking bids,!
