DUFUS joe biden is one heartbeat away from leading the free world?

Maybe dufus Joe Biden has never fired a shotgun?

Wouldn't be the first time he dished wisdom on a topic he knew nothing about.

Lets watch one of our favorite pastimes, cute, height and weight proportional women shooting guns:

I think its healthy for liberals to see how guns work. To actually learn something about guns and how they work. And Joe Biden perfectly illustrates an irresponsible position on guns for our viewing pleasure by suggesting to another person what choice to make when it comes to guns and personal defense. His one size fits all approach certainly would be a challenge for someone unfamiliar with the nuances of a shotgun.

Boy, that AR-15 sure shot smooth! Barely a recoil and I know they are accurate. And from what I know
 the guys sleep these days. You believe in masses really piling over the guys that type of gun?
 the reason the police and the town conflict is a no-go place?
 What is your support?
