DUFUS joe biden is one heartbeat away from leading the free world?

Maybe dufus Joe Biden has never fired a shotgun?

Wouldn't be the first time he dished wisdom on a topic he knew nothing about.

Lets watch one of our favorite pastimes, cute, height and weight proportional women shooting guns:

I think its healthy for liberals to see how guns work. To actually learn something about guns and how they work. And Joe Biden perfectly illustrates an irresponsible position on guns for our viewing pleasure by suggesting to another person what choice to make when it comes to guns and personal defense. His one size fits all approach certainly would be a challenge for someone unfamiliar with the nuances of a shotgun.

Boy, that AR-15 sure shot smooth! Barely a recoil and I know they are accurate. And from what I know, the cops can keep these AR-15s from you because of the masses. I only go over to the gun store that type of gun is the best one of the broke down gun collection. A good one, eh?

Thanks for your support.
