We are moving from Wessington Springs, SD to Rigby, ID around December 15th (date is flexible a little) and I didn't know if anyone was going that way and would consider hauling a load for us. Extra money before Christmas? We have a Uhaul reserved, but we are short on drivers as we have two cars to move as well and I just thought I would give this a shot. If you know of anyone willing to drive our stuff, let me know and give me a quote on what you would do it for. It is 870-920 miles one way (depending on the route you take, Wyoming or).
