

Beautiful Waitresses Wanted for unique modeling opportunity (Nashville)

Location **Tennessee**
<https://www.genclassifieds.com/x-721160-z>

I am developing a website concept based on one of the most lucrative genres of online modeling which is foot fetish member websites that will depict a place waitresses go to at the end of their shifts to get complimentary foot massages and pampering.

Looking to shoot videos of actual waitresses in their work outfits receiving this treatment.

We understand we may need to blur various bits of your uniform to protect your actual working location.

You need to be at least 18 years of age and as we are building content for a website members area that men will be buying subscriptions to we are seeking predominantly attractive ladies. Models of all races are encouraged to apply with extra incentives given to multiracial, asian, or hispanic ladies.

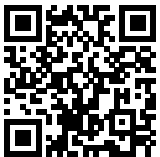

These shoots will take place in Nashville in a residential studio a few minutes south of downtown.

Pay will be in cash between \$60 and \$110 for about 2 or 3 hours of your time.

To apply send a couple pictures of you (doesn't matter in or out of your work uniform) clearly showing your face, general body shape (nudes NOT necessary), and feet.

Send your direct email address and telephone number and let us know if you prefer text messages or voice calls.

Thanks so much for your time and if this isn't it I do sincerely hope you find what you are looking!
