Hi, I'm reaching out to see if anyone would help me. Basically my car is falling apart, and I need someone to co sign on a car for me! I have my own apartment and have paid rent every month on time and can provide proof, I also used to have a nicer car I was leasing and paid that every month on time as well and can provide proof for that, I have a steady job but being a server we get paid cash and my pay stubs don't prove I make enough money, and with a college loan out my credit isn't the best. If anyone out there is willing to help me please email me! I know it's a long shot but I'm reaching out anyway.

Thanks so much
