BLUE MERLE CHIHUAHUA

 Blue Merle
 Needs final set of shots.

Bucksnot is a very cute and playful blue merle chihuahua. She gets along with other dogs and cats. Unlike most chihuahua's, she isn't yappy and not timid at all. I'm thinking she would probably be a good dog for a house with kids as she does like to play. I worry about her though when she follows me down to the corrals, because I am scared she is going to get stepped on. She definitely doesn't realize she is so small.

There is a re-homing fee to recoup my original purchase cost and that is it.

Phone calls only please.
 If I miss you, leave a voicemail and I will return your call asap.
