Interested in masculinity? We are researchers at the University of South Alabama and the University of Michigan investigating positive/pro-social masculinity. We invite you to participate in a short (no more than five minutes to complete) online study examining new aspects of masculinity. You do not need to be a man to participate. Upon completion of the survey, you will have the opportunity to be enrolled in a raffle to win one of four \$25 gift cards. If you are interested in learning more, please click the link below to be taken to our informed consent page.
