Meet this handsome hunk! Bayou is about 4 years old & weighs 75 pounds of love. Looking for a loving boy? Here he is. He is active & smart. At this time, it would be best that he is the only dog in the home & no cats. He is in foster though & learning manners with other, respectable dogs. His foster family raves about him & they are available to speak with should you want to meet him. His adoption fee is \$150 & includes: Heartworm test, neuter, microchip, vaccines, a wellness exam, a fecal test, deworming, a discounted session with a trainer, & an offer of pet-healthcare insurance for 1 month. Interested? Visit www.DogsbyDebin.com to complete our quick online adoption application today. We will then forward it to his foster family to coordinate a meeting. Thank!
