We are a licensed shelter tucked away inside of a pet hospital. We have about 30 dogs on-site and close to 70 in our program. We provide all basic medical needs & start teaching our dogs manners the moment they arrive in our care.

Our adoptions prices range from \$150-\$250. You can view more detailed information and our adoptables at www.DogsbyDebin.com

We even have more dogs than posted on our site! How our process works:

Complete our very quick online adoption application found at www.DogsbyDebin.com. Once that is completed, come on in during business hours posted on our site as well. If any of the dogs you're interested in happen to be in foster care (location posted when you click on dog for more information) we will forward you application to their foster family to conveniently arrange a meet and greet.

Although we keep our site very updated, there is no guarantee the dog will still be available upon arrival. The good news is, we have SO MANY that need homes. We pride ourselves on pairing the right home for the right dog so we may have a newbie onsite that is just perfect for you!

Our adoptions include: Spay/neuter, microchip, heartworm test (7 months & older), age-appropriate

vaccines, a wellness exam & fecal test w/in the 1st 30-days (local persons only), a session with a trainer & a social (local persons only), & a 14-day health guarantee for all dogs.

We will forward to the dog you & make sure you search for a good dog a good dog.

We are located inside Amity Woods Animal Hospital. Please do not call. Send in your application then come on in.
