

Teddy Labrador Mix Available for adoption (Northland)

Location

Kansas

<https://www.genclassifieds.com/x-721323-z>

Teddy is seeking just that right "someone" to complete him. Teddy is loyal & very well-trained. Teddy can: Sit, stay, come, heel, down. He completed a two week board & train. He is a smart young man, about 2 years old that would prefer to be an only dog, although he doesn't mind the right female dog with a proper introduction. No kids is a must as he does not "get them". A home with a calm environment is preferred as Teddy takes slowly to strangers. Are you a calm, confident home looking for an independent partner? Here's your guy! Interested? Please visit www.DogsbyDebin.com to complete our adoption application & for hours & location. We look forward to meeting you! Please note that dogs are adopted on a 1st come, 1st approved basis. Please visit us during open hours & we can answer all questions you may have at that time. Teddy's fee is \$150 & includes his neuter, heartworm test, vaccines, microchip, an offer for 30 days of pet health insurance & a discounted session with our.
