

500 Married Couple looking for couple or single roommate (North KC)

Location **Kansas**
<https://www.genclassifieds.com/x-721333-z>

My husband and I are looking for someone to get into an apartment rental with in the North KC/Zona area (not the Zona apartments though, we would like the rent to be around 500 per side). We are looking for a 2bed/2bath, so we would each have our own privacy, and then we would share everything down the middle as far as rent and utilities go.

We have a cat and would prefer no other animals since she doesn't do well with them, but she looooooves people. Very clean and would like a roommate(s) who is the same as far as the shared areas are concerned. Nonsmokers, social drinkers. Are okay with parties once in a while, but would rather go to, not host. No kids please.

Please email or text me if you are interested. Would love together and meet you! (We are shooting for getting a place around end of Jan., mid-Feb.)
