Hello,

SERIOUS INQUIRIES ONLY: I am looking for a video editor that has experience with weddings. I would prefer to work with someone that works in the latest version of FCPX in case I need to make corrections. I have 3 videos that need to be edited. I can offer \$250 a video \$750. Once a video is complete and files are transferred I will pay you cash.

Video 1: complete by Friday 4th
Video 2: complete by Tuesday 8th
Video 3: complete by Friday 11th

If you are interested in this gig please contact me with a reel and a contact number. MUST be able to work within these timelines and have your own external harddrive to work off of. If this works out I will give you more work as it comes in.

Thank you for your.
