Don't have the time, space or money to learn the upright bass or grand piano? Come learn a cheap, portable instrument! It's easy to learn the basics, but can be explored for a lifetime.

First lesson is free!

All ages and levels of playing welcome.

Also available for workshops and events.

Also learn other accessible skills to bring music to any situation: foot percussion, spoons, vocal songs, rhythm bones, beat boxing, some guitar, and musical saw.

I teach in Burlington and Montpelier, and offer Skype lessons if you don't live near those places.

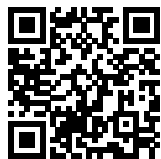

For more information or to sign up, respond to this post or go my website at www.pocketmusic.musicteachershelper.com.

Gift certificates available!
