

# Seeking Cold Weather Handymen for new TV Series (Vermont)

Location **Vermont**  
<https://www.genclassifieds.com/x-722762-z>

Major Television Production now casting Handymen - Jack of All Trades - Businesses that service remote areas during the winter months!

This Is A Casting Notice Only! We are seeking people in the New England part of the country that service people in remote/hard to get to areas.

Do you head out to repair machinery - Cars, Trucks, Snowmobiles, Snowplows? Plumbing? Electric? Can you repair things inside and outside the home?

Do you do this because no one else does? Are you outgoing? Not shy around a camera? Have some fun stories to tell?

This is a show about some heroes who help out people in remote cold weather areas that have nowhere else to turn.

If you or someone you know is a cold weather handyman(woman) then write us and tell us your story. Be sure to include a paragraph about what you do and a recent photo would be great too.

All emails are!
