---

pleased by the craftsmanship of the line of OEM Interior Kits that Streetwerx offers. We are available by stopping by our shop, located at 510 S. 52nd Street, Suite 109 (One Block North of University on S. 52nd Street) in Tempe or by calling us at 480-829-9040 for your free estimate. Hello, thanks for viewing this post. Below you'll find the full description of the item listed for sale. We're sometimes referred to as the Furniture Brothers because we are identical twins who have a warehouse in Elk Grove Village. We sell big box retail overstock furniture. Some furniture is assembled on the show room floor, and most furniture is new in the box, guaranteed. Please call today and we will be sure to answer any questions you might have.

**Product Description:** Enjoy hours of comfortable sleep all through the night with the 6 Full-Size Futon Mattress. It features a vibrantly colored design that enables it stand out nicely no matter what decor you have in your room. The mattress is tufted to ensure it retain its original shape, even after years of use. A built-in twill cotton cover provides everyday protection against wear and tear. For added strength and durability, this cotton futon mattress is constructed with a lovely blend of cotton and polyester, giving a softness and security that you can rely on every night. The durable blend also adds up to the support offered, giving you the comfort you want.

**6 Full-Size Futon Mattress:** 6 full-size futon mattress  
Twill cotton cover

We currently have a 3.5L engine available from a 2006 Chevrolet Impala that had only 40,379 miles on it. This engine also fits a 2006 Chevrolet Monte Carlo, and is already stocked on the shelf for \$565.50 plus tax and the core. To verify that this is the correct engine for your vehicle, you can check that the 8th digit of your VIN is a K. We also have other options to fit any budget! Our parts are backed by a 90-day parts-only warranty, so you can shop confidently with Novak Auto Parts. We're open Monday through Friday, 8 AM-5 PM, and if this isn't the engine you need, be sure to call us so that we can track the right one down for you. Novak Auto Parts, Inc. has the area's largest inventory with over 1,700 foreign and domestic vehicles on 20 acres. We also have three warehouses of cleaned and inspected recycled auto parts, as well as brand new steel wheels, aftermarket and new OEM surplus overruns. We also have access to a nationwide database of parts, so we can always get you what you
