I'm a photographer specializing in confidential/boudoir work. You don't need to be a certain size, age, color, or anything - I shoot all types.

If you'd like to give a present to your significant other (husband, boyfriend, girlfriend, whomever), or just want to see what you look like through the lens of a talented photographer, why not give it a try?

You've probably thought about it, right?

If this interests you, contact me. "Shoot" in the subject line gets you past the filters. Can host or travel to you, reasonable.
