

Harvard is seeking volunteers to participate in new online experiments

Location **Massachusetts**
<https://www.genclassifieds.com/x-723071-z>

The Harvard Digital Lab for the Social Sciences is seeking volunteers that would like to participate in social science research being carried out by professors and graduate students. The experiments have many different topics ranging from politics, to economics, to psychology.

Our newest survey about the perception of different types of homes can be found at this link

Thank you for your participation.
