Thanks for taking the time to read my ad. I offer a variety of services in the residential market. Although, I specialize in tile works and piping issues. I am able to take care of most other tasks that you need help with. I like what I do and it shows in the work I provide my customers. If you are considering some changes to your kitchen, bathrooms, or any other area. Then you have found the right person. My rates are very reasonable, even with the economy the way it is. Please call me if you are interested in talking about the project you have in mind. Below are pictures of the work I have done. Please check out and like my page on Facebook, Nicodemus Improvements. Hope to hear from you.
