Hello!

Do you need photos taken at your event or show?

I have experience with concerts, graduations, grand openings, speeches, launch parties, and more. If you need pictures taken, I can take them for you. I have professional equipment and know how to use it.

To see examples of my work, visit www.daryllmorgan.com/events_performances

My prices are reasonable, and I am open to negotiation depending on the event.

Please contact me if you are interested.

Thanks!
