

Immediate Hire

Location **South Dakota** https://www.genclassifieds.com/x-723472-z

I have three job openings, as a product demonstrator, basically passing out samples at the local supermarket.

If you can greet people with a smile you can do this job. You must be 18 years of age or older, and be able to work Thursdays, Fridays, Saturdays and Sundays.

You can contact me by phone. Leave a message and I will call you back as soon as I can. All inquiries will be considered for this permanent, part-time job.
