Hello fellow musicians and soon to be rock stars. I'm offering my services as a band organizer. What I offer is the opportunity for you to choose an instrument and play along with other muscicians some great classic rock songs, and all time favorites. This is a great project for beginners, and anyone who ever wanted to play in a band but never had the chance.

The way I plan on doing it is like this. First you will pick the instrument you would like to play (Rythem Guitar, Lead Guitar, Keyboard*, Drums*, or Bass). Then you will pick the songs you want to learn. We will go over one on one till you know the songs. All the songs you learn on the instrument you choose I can play along with another instrument. If others join and play different instruments, I will organize it so we can all play the songs as a band. I provide the rehearsal space, and all the instruments. The rehearsal space is very good with ample space and no issues with sound or loudness. It is in a storage facility that allows band practice in Everett. It's called The Storehouse. Adults over 21 only. For adults I have quality instruments. Take a look at the pictures.

Below is the list of songs. These songs are relatively easy to learn so the band can start playing together soon. The first list are songs I have ready to teach. The second and third list are songs I will teach in the future. The third list are songs for keyboardist/organist*.

First List (Ready To Teach Now)

The rate to cover expenses for rehearsal space and instruments is only \$10 per hour per person CASH ONLY. One hour minimum. You only pay when you come to play. First class is free. This is not a business. I'm only doing this for fun.

Schedule dates are every Sunday and Wednesday from 5pm to 1am.

Call Ask for Alejandro.

Later on I may add a horn section. If I get many playing well together on a consistent basis, I may let you all choose a new list of songs to play. We'll see.

*Keyboardist or Drummer I have Wi-Fi and a laptop so you can learn on-line. Or learn the songs on your own, and come just to play along with the band. I do not teach how to play the keyboard or drums, but I have both instruments available to.
