Baysden Management is looking to add 15 artist to their roster for 2016!

So if you are interested in taking your band to the next level we can help.

We offer booking, promotions, social media administration and promotion to record labels on your behalf.

If you are interested please feel free to respond to this ad with the following information:
your band name, a link to your music, the attendance at your last 3 venues and where they were at, and what your goals are as a musician.

Not every artist will get accepted. But that doesn't mean give up. We offer non contract services as well and we will make you an offer on those if we don't feel like youre quite ready for a contract deal.
