

2159 Class A BUILDING (5 USD)

Location **California**
<https://www.genclassifieds.com/x-723662-z>

A 12-story building with street-level appeal is home to the Oakland City office space, which occupies a prominent downtown location overlooking City Hall. The green LEED Gold property makes for a healthy, cost-effective working environment. Inside, an appealing lobby with wood finishes and granite flooring makes for a great first impression. The office space corporate neighbors specialize in various sectors including software, maritime, accountancy and engineering.
