

Want to be my Queen, and share my castle?
I am a Good Honest Man looking for a Good Honest Woman to Love, and build an Honest future with. I want to have a Family some day so I am looking for someone 18-30. Race is unimportant as I find all colors of the rainbow to be beautiful. I am definitely open to relocating the right person.

I have a lot to offer a good woman. I only ask that you be honest, reliable, and intelligent. No gold diggers, but I am a good provider and a little appreciation is always appreciated. I own my own businesses so I have lots of time to devote to the Love in my life. Attraction is important though. We all carry a few extra pounds, but let's keep it reasonable.

I am an entrepreneur by instinct! I am a auctioneer of Screen Used Movie Props, an independent Author, and I own one of the top ranked Horror Movie News site in the World. I refer to myself as a Horror Mogul because Horror is my business, but business is good. Takes a certain kind of Woman to Love a man like me, but I know you are out there. If you are a Child's Play or Chucky fan then I am your dream man as I own the coolest collection of Screen Used Chucky Puppets and Props in the World!

I am an attractive and distinguished white man in my 40's that is a very good provider. I am about 5'9" tall and about 200 pounds. I have posted a few photos of myself, my incredible mini mansion, and my Shelby Mustang GT500 Super Snake convertible, but you send me a few photos and a little about yourself in response. Yes, my house is big and beautiful, but it is just a big lonely house living alone. It will take you

and Love to make it a Home. I believe all the money in the World may make one rich, but it is Love and that which truly makes one wealthy!

Please take a chance to keep promise you will never regret. Thank you for your time and interest and appreciate your response as I will appreciate you and your life.
